

6 October 1975

MEMORANDUM FOR: Chief, Plans Staff, O/DDA

SUBJECT: OMB Hearings on the FY 1977 Budget

REFERENCE: Memo dated 23 September 1975 to Chief, Plans Staff  
from Chief, Administration Group, O/Compt,  
same subject

25X1A 1. The referent memorandum set up the schedule of OMB Hearings  
involving DDA offices. [REDACTED] our OMB examiner has since provided  
the attached list which outlines his specific areas of interest and requests  
certain supplemental information. While the complete list is for information  
of the DDA and his immediate staff only, the underscored portions of  
25X1A Items 1, 2, 3, 12, 13, 14, 15, 16, 26, 27, and 28 should be excerpted from  
[REDACTED] paper and provided to the responsible DDA offices as soon as  
possible.

2. With respect to Item 1, the DD/S&T will be responsible for assem-  
bling cost data and responding to questions on the totality of [REDACTED] related 25X1A  
costs. Identifiable DDA costs, and estimates of the costs associated with 25X1A  
increased level of effort in support of the [REDACTED] for 1976, the T.Q.,  
and 1977 (primarily, and possibly only, OC is involved here) should be  
provided to the undersigned by c.o.b. 9 October 1975. Since the OC Hearing  
will be held in advance of the Hearing on the [REDACTED], OC will be 25X1A  
expected to discuss LASERFAX, its cost, and outyear plans. Questions of  
justification can be deferred for discussion during the [REDACTED] Hearing, 25X1A  
scheduled for 15 October 1975.

3. Item 3 requires, inter alia, a brief paper from OJCS on its costs  
associated with SAFE. We would like to have the requested paper by  
10 October 1975.

4. In preparation for the OL Hearing (Item 13) [REDACTED] requests a list of major construction projects for FY 1977. The list should be forwarded to this Office by 15 October 1975 (we assume the list will be essentially unchanged from that included in the OL budget submission).

25X1A

5. With respect to the breakout of message network costs (see Item 14), we had previously alerted OC to [REDACTED] interest in this area, and OC has already prepared most of the requested data for 1975, 1976, and 1977. We would like to have this by c.o.b. 8 October 1975.

6. While OWI will address most of the information required in Item 16, OJCS should prepare a brief paper on its responsibility for TADS, including outyear costs. We would like to have this paper by 10 October 1975.

7. The information requested from OMS (Item 26), OP (Item 27), and OTR (Item 28) should be forwarded to this Office as soon as possible, but not later than 17 October 1975.

8. Please feel free to call on either [REDACTED] or me if you have any questions or if we can be of assistance in assembling the requested data or preparing for the Hearings.

1. Hearing to discuss the totality of [redacted] related costs in the agency's 1977 budget; prior to the session, would like a table breaking out costs by component for each of the three years and the transition quarter. The components should include, at a minimum, ODE, ORD, COMIREX, NPIC, CIA OPS Center, OGCR, and Commo. Where additional costs represent only an unspecified level of effort change, an estimate should be provided and so noted. LASERFAX should also be discussed at the hearing, including 1976, 197T, 1977, and outyear costs.

25X1A

25X1A

2. NPIC, ODE, ORD, OTS, OEL - separate hearings with each office (minus [redacted] related costs, as applicable). Specific areas of interest are as follows:

NPIC: Imagery Production Services: break out costs by personnel costs, maintenance, equipment (with separate breaks for ADP systems), or similar break (75, 76, 7T, 77); also provide a full list of intended 1977 equipment purchases.

Imagery Technical Services: list of equipment purchases.

ODE: Prior to hearing would like a distribution of 1976 and Transition Quarter reductions which the Office will take if the recent House Committee cuts stand. This should be presented in a new table (page 95). The effect of the 1976 and transition quarter cuts on the proposed 1977 program should also be reflected. Hearing should cover overall program but, specifically:

Security operations:- increase 75/76.

R/A - requirements in light of recent House action.

Systems Analysis - justification for increase 75/77.

Technical Collection Equipment - list equipment by program (three years).

Clandestine Operations-Commo - list costs by program (three years).

SECRET

Security - justification for laboratory  
equipment.

ORD: Provide breakout similar to last year's by major  
program area (three years).
